We are seeking help in working with the children in the Sacramental Preparation Family program. If you are willing to help with one or all sessions we are happy to have you share your time with our children as they embark on their journey in preparing to receive the sacraments of Reconciliation, Confirmation and First Communion. We are looking for adults and high school students who are energetic, love being around young people, and are happy to share in their faith. For those interested in learning more or wanting to help out, please email Natasha at natasha.nichol@lskysd.ca. Thank you for your consideration and time.
